What is Spontaneous Worship?

Spontaneous Worship is a non-stop spontaneous worship event for Christians to immerse themselves in worship, without the constraints of time experienced during church services.

These events will be held on a quarterly basis as such we would appreciate the support of partners who will sponsor the events financially.

Each event costs us several thousand pounds to host and your support no matter how little would be greatly appreciated.

By being a Spontaneous Worship sponsor you'll receive:

1. Publicity on the Spontaneous Worship website for 12 months.
2. Video snippet on the day of the event.
3. Guaranteed entry to any Spontaneous Worship event in the UK.
4. Reserved seating for all your delegates, if pre-booked.
5. Free DVD of the event.
6. Prayer support.

What is worship?

- A divine encounter with God.
- It's coming into his presence, adoring, praising and loving Him.
- In worship we show him our complete reverence.
- Worship is the place that God promises to "meet with us"
- Worship is an all-consuming yearning of our spirit for God.
- Worship is an overflowing of our emotions of gratitude and love.

What happens when we worship?

When we worship we can indeed change the world.

- Noah worshiped God and as a result a brand new creation was born. (Genesis 6:9)
- Abraham built an altar and worshipped the Lord and again a whole nation resulted. (Genesis 12:7)
- Moses worshipped the Lord and because of his obedience, God freed an entire people from the bondage of slavery. (Exodus 34:1-8)

What does the bible say about worship?

Jesus says in John 4:23-24, "*But the hour is coming, and now is, when true worshippers will worship the Father in spirit and in truth, for the Father is seeking such to worship Him. God is a spirit and they that worship Him must worship Him in spirit and in truth.*"
